What To Do When You Don't Know What To Do

A Series on God's Guidance

Ephesians 5:15-17 "Be very careful, then, how you live—not as unwise but as wise, making the most of every opportunity, because the days are evil. Therefore do not be foolish, but understand what the Lord's will is."

True or False?

1. God has a specific plan for your life which you are supposed to discover and follow.

2. God's will can be divided into 2 categories - God's perfect will & God's permissive will.

3. Impressions, hunches or promptings are God's way of revealing His will for me.

4. A key factor in making decisions that are in God's will is "having peace" about it.

5. When faced with 2 good alternatives I must be careful not to make the wrong decision.

The Bible speaks clearly of God's will in 2 ways:

- God's _____ will
- God's _____ will

"We are shocked when we turn to the Bible and discover that asking the question, *"How do we know the will of God for life's tough decisions?"* isn't even a biblical question. God does not encourage us to ask the question and even more significantly, God gives us no answer. The Bible's silence almost shouts at us."

~ Haddon Robinson, *"Making Decisions By The Book"*

Proverbs 3:5-6 "Trust in the LORD with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight."
